Dear Parent/ Carer

I hope you have had good week. Please find important information and links for the coming weeks below:

National Happiness Day (Wednesday 20th March)

We have been celebrating National Happiness Day this week at CoPA. After an online assembly to the whole school on Tuesday, staff and students (including former students), were asked to write a sentence or two about what they enjoyed about being at CoPA - we are going to display these across the Academy for all to see.

Here are just a few of the comments:

"I feel privileged to be able to learn about the cultural traditions and values of our amazing students, who are proud to tell me about their experiences".

Mrs Hegde

"We never give up on each other, staff, and students alike. Striving for excellence together"

Mr Hunneyball

"My favourite thing is the kindness/politeness from the students. Every single day, students say "Morning/Hi Madam, how are you?". This really does make your day, especially when you're having a tough one!"

Miss Plaice

"CoPA is an establishment like no other, as I've left, I've realised how much it represents a second home and family, its inclusivity and support goes beyond any school I've been in contact with. It's something we shouldn't have taken for granted in the moment."

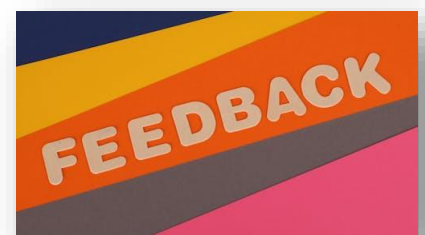

Mia

Year 11 Exam Preparation/ Easter Revision Sessions

With only 20 school days left until the first written exam on Friday 10 May, we continue to work hard in preparing our Year 11 students.

Thank you to the many parents who attended the in-person parents evening on Monday.

During the Easter break, staff have kindly given their time to run subject specific workshops - we would love to see as many students as we can.

Below is an overview of what is available each day and the timings of these sessions. There is no obligation for students to attend, however, past students have commented on how useful they have found this in the past.
